

Planning your escape

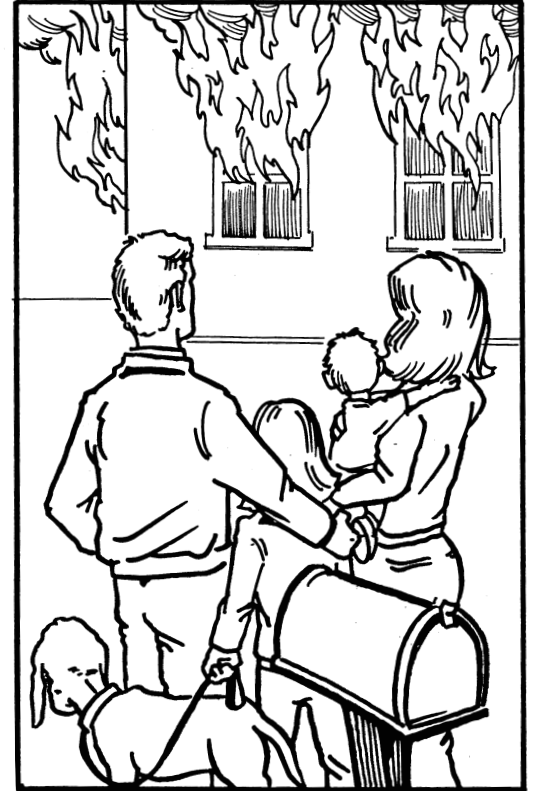

Do you and the members of your family know how you would get out of your house in the event of a fire. If not, develop an escape plan for your home that includes 2 escape routes from every room.

The 2 escape routes from my room are:

1. _____
2. _____

After you're safely out of the house, where will you meet? Decide on a place outdoors where you and your family can gather if you're forced out of your home because of a fire.

My family's meeting place is:
